A MESSAGE FROM THE CEO

Welcome to King's Group Academies (KGA), where our roots in global connectivity have shaped a thriving multi-academy trust since our founding by Sir Roger Fry in 2014.

Today, KGA spans schools in the South East, Berkshire, and Hampshire with a commitment to sustainable growth and effective collaboration. We believe in the power of being part of a single trust that operates across regions while remaining deeply embedded in local communities.

As CEO, I am proud to lead this exceptional community.

Thank you for your interest in KGA. We hope our story will inspire you.
