Dear GCSE Art and/or Photography student,

Re: Welcome to the new GCSE Art and/ or Photography Year 10 & Year 11 course

Many thanks for selecting your Art and/ or Photography course. We welcome you to the diverse and enriched Art department. The Art department continues to provide excellent resources and maintain the current high level of teaching & learning.

Our success has culminated in past years success grades and more recently 2019-20: ART- 4x grade 9/ 26% grade 9 to 7/ 90% grade 9 to 4 with similar successes in Photography.

To help you start the year with all the equipment you need we are providing you a list of what we expect you bring to school.

Art	Photography
<ul style="list-style-type: none"> - A3 landscape or portrait sketchbook – white cartridge paper (you can purchase this from the school shop or please make sure the paper quality is a minimum of 100gsm if purchased elsewhere) - Pens/ pencils - A1 Folder 	<ul style="list-style-type: none"> - A3 bound sketchbook with black pages - Use of a digital camera - Pens/pencils. - A1 Folder

These art items are all available to purchase from the school shop – Please place your order and payment in an envelope and hand this to your Tutor or Art teacher. Payments can be made by cash or cheque (made payable to King’s Academy Ringmer). Orders will be returned to students via their tutor bag each day.

We ask for a contribution towards the costs of studio and colour printing fees of £25 for both Year 10 and Year 11, payments should be made via the ParentPay website.

This studio fee greatly benefits all the students, it allows the Art department to print in colour for classwork and independent learning, also with purchasing specialist materials used for both GCSE Art & Photography courses.

If you have opted for both GCSE Art and Photography, this will be a double payment.

I would greatly appreciate this be made by Friday 6th November 2020.

Those who need assistance with this fee please contact me to discuss this further.
