

# 12 DAYS OF GIVING

More than ever we need to pull together to help those who need the support this year!

Food bank networks have provided 1,239,399 emergency food parcels to people in crisis between April and September 2020.

61% increase in food parcels needed across its UK network in October to December - six parcels given out every minute.

We will be most grateful for any donation, big or small. Each morning there will be a box at every bubble entry to place your donations.
