Secondary Phase Oversubscription Criteria Admission Year 7

Where the number of applications for admission is greater than the published admission number, applications will be considered against the criteria set out below. *Please note that there is no guarantee of a place to applicants meeting the oversubscription criteria; all applicants should ensure that they meet the County Council published deadlines.*

- a. **Children in Care** (in accordance with the regulations of 2005, **top priority** will be given to Children In Care) - Children in the care of a local authority - looked after children¹ and children who were looked after, but ceased to be so because they were adopted² (or became subject to a residence order³ or special guardianship order⁴).

¹ [1] A "looked after child" is a child who is in a) the care of a local authority, or b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children Act 1989) at the time of making an application to a school.

[1] A child is regarded as being in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

[1] This includes children who were adopted under the Adoption Act 1976 (Section 12 Adoption orders) and children adopted under the Adoption and Children Act 2002(Section 46 adoption orders).

[1] Child arrangements orders are defined in Section 8 of the Children Act, as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22/4/14 is deemed to be a child arrangements order.

[1] Section 14A of the Children Act 1989 defines a "special guardianship order" as an order appointing one or more individuals to be a child's special guardian/s.

- b. **Students whose siblings (2) currently attend the academy** and who will continue to do so on the date of admission; In the event of oversubscription using this criterion, priority will be given to those living nearest** to the Academy.
- c. **Children of staff members.** The Governors will offer a place to children whose parent(s) have, at the time of application, been employed by King's Academy Ringmer for a minimum of two years at the time of making the application or who are employed in a currently recognised shortage subject area.
- d. **Children living in the Community Area*** In the event of oversubscription using this criterion, priority will be given to those living nearest** to the Academy.
- e. **Children living outside the Community Area.** Where there are more applications than places after application of criteria a) to e), distance from the Academy from home will be taken into account. Priority will be given to those living nearest** to the Academy. In a tie breaker situation, random allocation could be used if, for instance, there are more than one living in the same block of flats and therefore the same distance from the academy.

² Sibling is defined as

- Brothers or sisters, including half-brothers or sisters, step-brothers or sisters and foster children living at the same address
- Another child normally resident for the majority of term time in the same household, for whom an adult in the household has parental responsibility as defined in the Children Act 1989
- In the case of twins (or two siblings in the same age cohort) and where there is only one place available in the academy, both will be considered together as one application.

The academy will be authorised to exceed its Published Admission Number by one.

* A map of the community area is available from ESCC website

** Distances are calculated from home to academy using surfaced, passable routes

Notification and Acceptance of Places

In accordance with the co-ordinated Admissions Policy, on 1 March 2021, the Local Authority will make the formal offer of a place to parents or carers on behalf of the Academy. Parents should contact the academy by telephone or letter to either accept or reject the offer of a place. This will in no way affect parents' right to appeal for a place at another academy.

Arrangements for Appeals Panels

Parents will have the right of appeal to an independent appeal panel if they are dissatisfied with an admission decision. The appeal panel will be independent of the academy. The arrangements for appeals will be in line with the Code of Practice on Academy Admission Appeals published by the Department for Children, Academies and Families as it applies to Foundation and Voluntary Aided academies. The decision of the appeal panel will be made in accordance with the Code of Practice on Academy Admission Appeals and is binding on all parties. Parents who want to appeal against the governors' decision, not to offer their child a place at the Academy must appeal directly to the academy.

The appeal should be addressed in writing to the academy.

Operation of Waiting Lists

Subject to any provisions regarding waiting lists in the LA's coordinated admission scheme, the academy will operate a waiting list for each year group. Where in any year King's Academy Ringmer receives more applications for places than there are places available, a waiting list will operate for the duration of an academy year. This will be maintained by the academy and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

A student's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

The waiting list will cease at the end of each academic year on 31st July and begin again for each year group on 1st September.

Arrangements for admitting students to other year groups, including to replace any students who have left King's Academy Ringmer

The academy will co-ordinate admissions for in-year applications and for applications for year groups other than the normal point(s) of entry. This academy will determine which applicants have priority for admission.

An in-year admission form is available from the academy and must be completed and returned to the Admissions Officer for admission to the academy outside the normal admissions round. All requests will be considered by the Principal and Governors and the academy will then send a letter to parents. If more applications are received than there are places available, the oversubscription criteria shall apply. Parents whose application is turned down are entitled to appeal. The academy will hold a waiting list for in-year admissions.

Parents refused an application for a place at the academy have a statutory right of appeal, but this does not apply if parents are offered a place other than the year group in which they applied for.
