### 1. Aims

This policy statement aims to set out our school's arrangements for managing the access of education and training providers to students for the purpose of giving them information about their offer. It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

### 2. Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the Education Act 1997.

This policy shows how our school complies with these requirements.

### 3. Student entitlement

All students in years 7 - 11 at King's Academy Ringmer are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities as part of our careers programme, which provides information on the full range of education and training options available at each transition point
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships
- Understand how to make applications for the full range of academic and technical courses

## 4. Management of provider access requests

### 4.1 Procedure

A provider wishing to request access should contact Ms Amanda French, PA to the Principal

Telephone: 01273 812220

### 4.3 Granting and refusing access

All visitors to the school must either have a current DBS certificate or be accompanied by a member of staff at all times.

### 4.4 Safeguarding

Our safeguarding/child protection policy outlines the school's procedure for checking the identity and suitability of visitors.

Education and training providers will be expected to adhere to this policy.

### 4.5 Premises and facilities

Classrooms have projectors and whiteboards and chrome books for individual student use can be booked. There are a number of larger rooms also available, including the school Hall.
