Publicity, Photograph and Filming Consent

Date: ratified at FG on 27 January 2021, reviewed in September 2021, July 2023, July 2025

Date reviewed: July 2026

We have a great marketing department which includes student leaders. We like to publicise events, visits and a lot of the exciting work we do at the school. We like to take photographs to showcase the quality of work and like to include the students involved who are more often than not very proud of the praise and positive attention their creation has produced. The school uses these images on our website, for corridor displays, school's prospectus, send articles off to the local newspapers, and more often these days on our school media platforms.. If using your child's image, we would include their first name if necessary, never their surname. We may also make video recordings for school events such as drama productions and dance shows, often we will make these recordings available for parents and carers to purchase.

Occasionally, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Students will often appear in these images, which may appear in local or national newspapers, or on televised programmes. Often these media companies like to include the students full name in the featured photograph / film, for example, recently one of our students was accepted for a scholarship with Harlequins Rugby Club. We will not include personal email or postal addresses, telephone or mobile numbers on our website or in printed publications.

Should you decide that you no longer wish King's Academy Ringmer to use your son/daughter's photo / film image in publicity either whilst still in school or after they leave, please inform our reception team at ringmer.reception@kingsacademies.uk

If third party organisations we visit, or visit the school wish to take photographs, we will ask them to provide their own consent reply form.

Please note that photographs may be taken at public events/performances by third parties, this beyond our control.
