

King's Academy Ringmer

Uniform Policy

Approved by:	Full Governors	Date:	July 2026
Maintained by:	Assistant Principal	Next review date:	July 2027

Purpose

This policy aims to:

- set out our approach to requiring a uniform that is practical for everyday use, of reasonable cost and offers the best value for money for parents and carers.
- clarify our expectations for our school uniform.
- communicate to parents and carers the expectation that they support the school in ensuring that their child is supplied with, and wears, the full school uniform.
- to communicate how the school will enforce the uniform policy.

Principles

- KAR believes that a school uniform should be practical for everyday use, provide value for money, and not be determined by changes in fashion.
- KAR believes that the wearing of a school uniform prepares students for employment where dress codes are often expected and enforced.
- KAR believes that the wearing of a school uniform helps students identify with the school and promote community and belonging.
- KAR believes that a school uniform helps to promote equality.
- KAR believes that the uniform policy should apply at all times when wearing the uniform, for example both inside and outside of the school when representing the school in the community.

Expectation for school uniform

In addition to the details regarding acceptable and prohibited items provided above, the following additional expectations regarding the wearing of the uniform and some other aspects of student appearance are an important part of the uniform policy.

It is expected that students will **wear full uniform** to and from school. This includes bus journeys.

Blazers

Blazers should be worn at all times within the school building, with the following exceptions:

- Staff may allow students to remove them in class
- Blazers may be hung on the back of the chair in the dining hall or Steve Green Building whilst students are having lunch
- Students may remove blazers if students are **outside** at break or lunchtime.

Shirt and tie

- Shirts are to be tucked in and ties worn at such a length the King's Logo is below the knot.
- Top button must be fastened at all times.

Skirts

Skirts should not be rolled at the waist.

Jewellery

- Jewellery is not allowed except for a plain gold/silver stud or small hoop in pierced ears (one per ear). Studs/hoops, or any other piercings are not allowed in any area other than one per ear.
- Necklaces, bracelets, charity bands, friendship bracelets etc are not permitted.

Hair

Hair must be in a professional style and kept neat and tidy. Hair should not be dyed. Hair should be in one natural colour, simple hairstyles, and should be tied back and away from the face for health and safety reasons if necessary. Examples of unacceptable styles for both boys and girls include:

- Patterns shaved into a pupil's hair or eyebrows – this includes shaved parting lines (we will make contact immediately for this to be rectified).
- Hair should not fall over the eyes or, indeed, be untidy in any way.
- Only plain bobbles and plain hair grips should be used to tie back hair.
- Facial hair clean shaven/neatly groomed.

If in any doubt, families should contact the school before going to the trouble and expense of giving their child a new, potentially unacceptable, hair style. The school's decision is final.

Makeup

Makeup should not be worn by years 7 – 9 and only discreet make up is allowed in years 10 and 11. Nails should be clean and clear of any polish or beauty products (for example gels, acrylics etc). False lashes, fake tan, and nail extensions are also not permitted.

Pupils are also expected to contact the ringmer.pastoral@kingsacademies.uk if they want to request an amendment to the uniform policy in relation to their protected characteristics.

- Is appropriate for our school's context
- Is implemented fairly across the school
- Takes into account the views of parents/carers and pupils
- Offers a uniform that is appropriate, practical and safe for all students

The governing board is responsible for ratifying and upholding all policies and supporting the Principal of the school in moderating and upholding all policies.

Equalities Statement

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination in implementing this policy the school will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all students
- Allowed all students to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all students to style their hair in a way that is appropriate for school and makes them feel most comfortable
- Allow students to request changes to swimwear for religious reasons or if they are experiencing discomfort related to their sex, gender or gender reassignment
- Allow students to wear headscarves and/or other religious garments
- Allow students with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs
- Allow for reasonable adaptations to our policy on the grounds of equality by asking students, parents and carers to get in touch with Mrs Malik, SENDCO, who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis

An Equalities Impact Assessment (EIA) has been completed for this policy.

An EIA is a considered way of determining whether a policy, practice or project will affect all groups equally or whether it potentially may have a differential impact on one or more groups.
