FRENCH & SPANISH GRAMMAR AND TRANSLATION WORKBOOKS

Dear Parent/Carer

Your child has started the French / Spanish GCSE course this year and needs to have a copy of the following book:

Studio Edexcel GCSE **French** Grammar and Translation Workbook

Viva! Edexcel GCSE **Spanish** Grammar and Translation Workbook

We will be using these in class as well as for homework. They include sections on all aspects of grammar required for GCSE as well as learning how to translate effectively, which is a key component of the new GCSE qualification. They will also be essential for revision for end of year exams, assessments and the actual GCSE exams in Year 11.

The cost of these including P&P is £6.35. Please pay via ParentPay by 19th October 2018 when we will be placing our order with Pearson. The books should then be here just after half term.

Yours faithfully
