INFORMATION WE HAVE TO PASS ON BY LAW

We are required by law to pass some of your information to East Sussex County Council (ESCC) as part of the Intended Destination, September Guarantee and Annual Activity processes.

ESCC has legal obligations under the Education and Skills Act 2008 and the Apprenticeship, Skills, Children and Learning Act 2009 to assist, encourage and enable young people aged 13-19 (and young adults with learning difficulties or disabilities up to the age of 25) to participate in education or training. This enables them to provide the following services:

- post-16 education and training
- youth support services
- careers advice

Under the Education and Skills Act 2008 and the Apprenticeship, Skills, Children and Learning Act 2009, in order to assist, encourage and enable young people aged 13-19 (and young adults with learning difficulties or disabilities up to the age of 25) to participate in education or training, ESCC may also pass on the information we share with them to EFA/SFA funded post-16 providers who deliver in East Sussex and could offer you a progression route and support your transition into post-16 education and training.
